Seagis Property Group Acquires 207,000 SF Complex in Miami, Florida

September 20, 2017 - Conshohocken, PA – Seagis Property Group announced today that it has acquired Airport International Center, a two building 207,000 square foot warehouse complex in the Airport West submarket of Miami, Florida. The multi-tenant buildings, which are located at 5501-5505 NW 72nd Avenue feature 4,500 square foot tenant bays, with both dock high and street level loading serving each tenant space. The project is located approximately 2 miles from Miami International Airport and 13 miles from the Port of Miami.

“We continue to see strong demand for these highly functional small-bay infill warehouse units. Airport International Center is a natural complement to our South Florida portfolio, which now includes 92 buildings and 5 million square feet in the Dade and Broward County marketplace.”
Ronald Marrero, Director of Leasing and Investments.
